Accept Bid of Cardston Firm

Let Contract For Bridge Over Little Bow River

The contract for the erection of a reinforced concrete bridge over the Little Bow River, on the road between Vulcan and Connemara has been let to Remington Construction Co. Ltd. of Cardston, it was announced by Highways Minister Gordon Taylor on Monday of this week. The bridge is to have a driving surface 24 feet wide and will be 208 feet long. Approaches at both east and west sides of the bridge are to be straightened out, eliminating several dangerous curves and reducing the grade.

Seven higher bids for construction of the bridge were received: Cunningham and Shannon Ltd., Taber, \$43,915; William Tomchuk Construction Co. Ltd., Edmonton, \$47,496; Nodwall Brothers Ltd., Calgary, \$49,435; R. A. Blyth, Medicine Hat, \$52,277; Oland Construction Ltd., Lethbridge, \$56,294, and Assiniboia Construction Co. Ltd., Calgary, \$58,405.

Bridal Shower For Myrna McIntyre

Mrs. Mike Orchard entertained on Friday evening, September 16, when 60 friends and neighbors gathered to honor Miss Myrna McIntyre, bride-elect, at a shower.

One contest was won by Mrs. Ted Rummel and another very amusing one about the bride's clothes line was won by a team composed of Mrs. Art Engen, Mrs. Bruce Crabb, Mrs. Len Morseth and Mrs. Opal Drummond.

Myrna was seated beneath an arch of flowers, streamers and balloons, and was presented with a gaily decorated basket of gifts, by Miss Marlene Larkins and Miss Joan Thomas. She was assisted in opening the colorfully wrapped parcels by her mother, Mrs. Rose McIntyre, and by Mrs. W. Fleming, mother of the groom-elect. Then Myrna burst the balloons amid a shower of confetti, to find directions leading to the gifts.

A very delicious lunch was highlighted by a lovely double wedding cake, made by Mrs. Bruce McKay, who was assistant hostess. Several ladies of the district assisted in serving.

Myrna thanked the ladies for the useful and beautiful gifts and for a very enjoyable evening.

from hogs — the United Kingdom and the United States. We are not at present shipping to the United Kingdom but it might easily happen that this would again become a very important outlet for Canadian hog products. During the war, Canadian bacon established a first class reputation with the British consumer. It would be a tragedy for the Canadian hog producer if we were not ready to take advantage of that fine reputation because the quality of our hogs had deteriorated. Our principal competitor in this market would be Denmark. The quality of hogs being produced in Canada today is certainly not good enough to permit substantial shipments of a quality that would compete with the Danish product.

Our other export outlet, the United States, is a premium market. We cannot pay duty and freight on pork products and compete with the United States product in price. To do business in the United States we must sell at a premium price. We must produce a product that is worth the higher price we are compelled to get for it. The United States consumer will pay a premium for lean pork. Our second and third grade hogs will not produce a product that will command this premium.

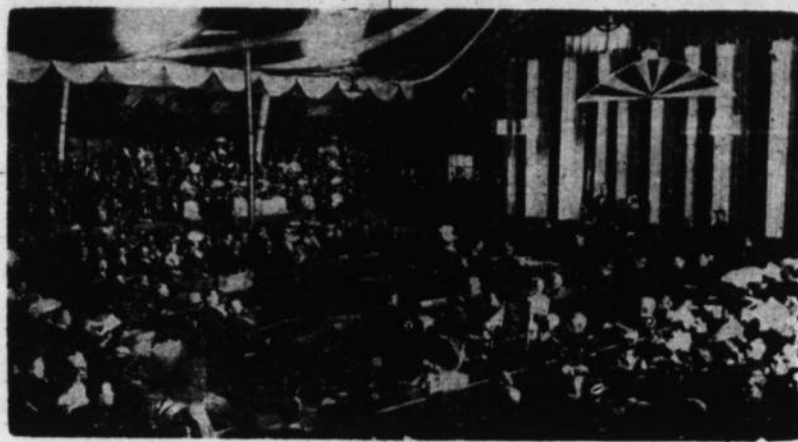

"The quality of hogs is equally important for the Canadian market. The Canadian housewife is discerning and rigid in her standard for lean pork products. Raising the quality of Canadian hogs is important, most of all, to the hog producer. The return to the hog producer depends entirely on the price at which the packer is able to sell pork. This price depends to a large extent on the acceptance of our pork products by the consumers in both the Canadian and the export markets."

Last season the fifteen Municipal Seed Cleaning plants operating in Alberta cleaned a total of 2,837,000 bushels of seed. It will be seen that this is an average of 189,135 bushels cleaned at each plant. This season there will be two additional plants in operation, one at Leduc and one at Blackie. The Blackie plant is in close proximity to many farmers in Vulcan County and every farmer who has not got first class cleaning facilities on his farm should patronize this plant for his next year's seed requirements.

It is not too late to do something about those Canada Thistles along the roadsides and in waste places. These weeds sprayed at this stage will be weakened considerably and if followed up with a vigorous treatment next year will be well on the way to complete eradication. These weeds have been many years building up and only through a persistent campaign of control can we hope to rid the country of them.

There have been a few isolated cases of rats being found west of the twelve mile zone at the Saskatchewan border this year but, generally speaking, the situation in the province remains about as a year ago, according to Mr. Guba of the Pest Control branch. To keep this pest under control will only be possible if all will be vigilant and report any of these animals to the nearest Pest Control Officer.

At Town Council Meeting

Revise Pay Schedule For Volunteer Firemen

Revision of the remuneration paid members of the volunteer fire department was approved at the regular town council meeting held last week. Fire Chief Sam McLeod and Deputy Chief Arthur Scott were present at the meeting.

The new schedule calls for firemen to be paid \$2 per call for the first hour or portion thereof and \$1 per hour after the first hour. The fire chief will be paid at double this rate and the deputy chief at rate and a half.

Building permits approved by the council were: County of Vulcan, \$4,000, addition to County Repair Shop. Mrs. W. W. Almond, \$500, addition of porch to dwelling. H. S. Burns, \$200, frame garage. Council authorized extension of the water line on Block 28 to the end of Mars Street.

Vulcan Delegates Attend Witnesses Convention, Europe

Eight residents of Southern Alberta who formed the delegation from this district to the European convention of Jehovah's Witnesses have returned. Lethbridge, Fort Macleod and Granum had delegates. Over 5,000 Jehovah's Witnesses from Canada and the United States travelled to Europe.

The Vulcan representatives were Mr. and Mrs. C. S. Mann. They crossed the Atlantic by chartered airplane, landing at Iceland on the return trip. The total distance travelled by automobile, air and by special trains was over 16,000 miles.

Representatives from 68 countries were present at the seven assemblies. A total of 12,830 persons were baptized. The title of the public lecture given in the European capitals was "World Conquest Soon — by God's Kingdom." This address was heard by 396,742 persons in this world-

Roderick McLean Dies At Calgary

A well known resident of the Queenstown-Bassano district for many years, Roderick (Sooty) McLean passed away in Belcher Hospital, Calgary, on Sept. 12. He was 69 years of age.

Born in Campbellton, Scotland, he came to Canada before the First Great War. He enlisted in the CMR's in 1915, serving in France and Belgium, and returned to the Bassano district after his discharge in 1919. He was a life member of the Queenstown-Milo Branch, Canadian Legion.

Surviving are a brother in Belmont, Man., and a sister in Scotland. Another brother, John, died in Calgary in July of this year.

Canon E. M. T. Orme conducted the funeral service and interment was made in the Field of Honor, Burnsland Cemetery.

sweeping series of conventions. Five of these conventions were held in North America.

"No one likes to be conquered, for that means subjection to an enemy," stated the president of the Watch Tower Bible and Tract Society, N. H. Knorr, before the 107,000 people at Nuremberg, Germany. He added, "But world conquest could also be by those who love us and have our interests at heart. . . . World conquest by God's kingdom will conquer the bad conditions of this earth and transform this entire earth into a perfect paradise for mankind's eternal home."

All travel arrangements were prescribed by the Witnesses themselves with the good co-operation of various airlines and European railways. One travel agency supervisor of Amsterdam said, "The is the largest peacetime movement of people ever to go to Europe at one time."

Preparation for feeding and serving, ushering and finding rooming accommodations was all cared for by volunteer workers from amongst the ranks of Jehovah's Witnesses. Meals were served in Nuremberg at the rate of 35,000 per hour.

The chief purpose of the conventions was that of worship. Peace, unity and goodwill were promoted in a small way amongst people of many nations.

Many Witnesses stayed in the homes of Jehovah's Witnesses and their friends in the European countries visited and this acquaintance with the customs in these lands will draw the Witnesses closer together," Mr. Mann stated. "Furthermore, in this atmosphere we met with delegates from Central and South America, Australia, Africa and the Far East," he added.

Programs of the conventions were made up of speakers from many countries. Percy Chapman, Canadian branch supervisor, of Toronto, served as chairman in London, England, which convention was held at Twickenham stadium. Various sight-seeing excursions to points of Christian interest and to several branch headquarters and printing factories of the Watch Tower Bible and Tract Society were also arranged.

More Than Half Done

Rain and Snow Again Delay Harvest Work

A week of good weather will be required before harvesting operations can be resumed following a rain and snowstorm on Tuesday and Wednesday of this week which left swathed crops under several inches of wet snow.

The snowstorm was accompanied by high winds, and crops still standing when the storm hit have been pretty well flattened under the weight of the wet snow. Tuesday night's temperature was 35, with a forecast high of 40 on Wednesday.

Greatest progress in harvesting had been made in the east and north parts of the county, where combining was practically completed before the storm struck. Nearer Vulcan, there is considerable swathed grain to be picked up. West and south, harvesting is estimated to be one-third completed.

Larger-than-usual acreages of durum wheat and flax were sown this year as farmers sought for a crop that would give them a cash return and results have been generally satisfactory.

Will Attend Grain Conference

J. T. Willard, Director, and M. R. Morrison, Past President of the Alberta Retail Implement Dealers Association, attended an executive meeting at Carstairs on Wednesday of last week.

The matter of sending delegates to the Grain Marketing Conference being held in Saskatoon on Sept. 27 and 28, was discussed and M. R. Morrison of Vulcan and N. E. Roper of Rimbey were appointed as delegates to attend the meeting.

Church of Christ

The second phase of the attendance program at the Vulcan Church of Christ will get underway next Sunday morning with a Children's service.

Called "The Full Attendance Phase," it is designed to complete the opening phase of the program which was called "The Church Consciousness Phase." The new stage seeks to gain the full attendance of all who have been contacted by the church through its various departments.

Since one of the major channels of activity is through the children's and youth work the opening service will be suited to the youth department. Children's hymns will be sung in the song service. The special music will be provided by the Junior Choir, and the sermon will be a chalk talk adapted to all age levels, by Mr. E. G. Hansell.

Being promotion Sunday, promotional certificates will be presented to all children passing into higher classes.

County Meetings Postponed Week

Due to the busy harvest season, County meetings which would normally have been held this week have been postponed and will be held on the following dates.

School committee meeting on Monday, Sept. 26; Municipal committee meeting on Wednesday, Sept. 28; and County council meeting on Friday, Sept. 30.

Will Reside In Fernie, B.C.

Mr. and Mrs. Jack Moffitt, Jacqueline and Kent, who have made their home in Vulcan for the past four years, will leave next week for Fernie, B.C., where they will reside.

Mr. Moffitt, who has been assistant secretary for the County of Vulcan, has accepted the position of business administrator of the Leroux Medical Clinic in Fernie. Besides his duties in the County office, Mr. Moffitt has been secretary of the local Canadian Legion branch for the past three years, and was secretary for St. Aldhelm's church.

The Moffitts were members of the Anglican church, and Mrs. Moffitt has been a valued member of the Guild. A large circle of friends regret their departure, but wish them every success and happiness in their new home.

Lady Baden Powell To Visit Calgary

Lady Baden-Powell will be guest of honour at a big rally of Guides, Brownies, Scouts and Cubs to be held in the Stampede Corral, Calgary, on Monday, Sept. 26, at 7 p.m.

A good representation from Vulcan is expected to attend. Guides, Brownies, Scouts and Cubs in uniform will participate in the ceremony welcoming Lady Baden-Powell to Calgary. Plans are now being made for transportation from Vulcan to Calgary and return and local members of these organizations who will be able to attend are asked to contact their leaders for further information.

NO MAIL WEDNESDAY

Due to the storm, the mail truck was unable to get through on Wednesday. District news which was due in on the Wednesday mail has, of necessity, been left out of this week's paper (last runs of which are printed Wednesday afternoon, and will be held over until next week.

No Place To Ride

It seems to be generally agreed that the best defence against an atomic or hydrogen bomb is to be somewhere else when it explodes. So plans, rather sketchy as yet, have been made for moving people out of the cities that are probable targets as soon as possible after a warning is received.

The theory of this portion of civil defence is admirable, but, as with all things that look well in theory there are certainly many flaws that could be discovered only in practice. And practice in this connection means actually performing the job of moving nearly everyone out of the city at a set time.

Such a dress rehearsal would be possible if someone had dictatorial powers to order it; but outside of a few Ottawa politicians who believe in dictatorship, with themselves as dictators, no Canadians are likely to advocate or submit to dictatorship in peacetime. So the dress rehearsal will have to await the outbreak of hostilities, the first intimation of which might be the explosion of bombs over several targets on this continent.

One may hope that the apparatus for detecting the approach of enemy bombers, is efficient, and remembering Pearl Harbour, that the authorities who receive a real warning will treat it seriously. Yet it seems probable that if enough planes were sent on a bombing raid, some would complete their errands. So safety of civilians still depends on flight from their homes.

Anyone who has had any experience of weekend driving near a large city will realize that the job of moving everyone out at the same time will be far from easy. On a summer Sunday evening all highways are jammed by traffic trying to get into the city; and it must be remembered that the cars then travelling bumper to bumper are only a fraction of the number that would be in use if a mass exodus were ordered. Moreover, the cars that would be called into service in an emergency would include many whose mechanical defects would contribute to the difficulty rather than assist to overcome it.

The tentative civil defence rehearsals that have been staged have naturally been arranged with the convenience of the volunteer participants in mind. Thus some persons may have a mental picture of an attack as something occurring on a fine summer afternoon, when highways are relatively open. If the Russians have any sense, and there is no good reason to doubt it, the most likely time for an attack will be a midwinter night when both city streets and surrounding roads are blocked by snow.

Another assumption that seems evident in what has been published about defence plans for this continent is that attack is most likely to come from the north. As the Russians are at least as well informed of these plans as civilians on this continent, the probability is greater that attack would come from east, west or south. If New York were a target, it might receive a reasonably early warning of planes coming over the North Pole. If the attack came from an aircraft lying 100 miles offshore, there would be no time for the civil defence organization to get into action before the bomb fell.

While the outlook for the civilian is poor, he need not despair. It seems unlikely that the Russians could attack and destroy all important centres of the free world simultaneously. Unless that could be done, the Kremlin and the leading industrial cities of Russia would receive swift retaliation for any attack. The truce of reciprocal fear may be a more trustworthy pledge of lasting peace than any written agreement.

The residents of town and district express their sympathy to Mrs. Margaret Minty and family in the recent death of James Minty Sr.

Altar Society

On Tuesday afternoon, Sept. 6, the Ladies' Altar Society held a farewell party for Mrs. Harold Plourde at the home of Mrs. Skeely. Bingo and Chinese checkers were played before lunch. President Mrs. J. Letal presented Mrs. Plourde with a pair of sheets and pillow cases as a parting gift from the Society. She thanked Mrs. Plourde for her generous service to the Society's affairs and expressed the regret of Mrs. Plourde's many friends that she was leaving Carmangay.

Social Credit Group

The Ladies of the Social Credit Group met at the home of Mrs. Lund on Wednesday, Sept. 14, with ten members and four visitors present. Plans were made for a bake sale to be held on Nov. 6. The raffle was won by Mrs. Witzer. The next meeting will be held at the home of Mrs. Schaffer on Oct. 12.

JAMES MINTY SR.

A resident of Alberta for the past 49 years, James Minty Sr. of Carmangay died at his home last

Friday, Sept. 16, at the age of 70. Mr. Minty came to Canada in 1903 from Aberdeen, Scotland, where he was born, and settled in Burdett in 1906. While there he was occupied as a garage operator and farmer. In 1924 he moved to Carmangay, where he operated the Carmangay Garage.

Survivors include his wife, Margaret, of Carmangay; four sons, James A. and Roderick of Carmangay; Robert of Lethbridge and George of Calgary; two daughters, Annie of Carmangay and Mrs. O. W. Manson of Vancouver; one brother, Robert Minty of New Brunswick, and 11 grandchildren.

Funeral services were held in the United Church in Carmangay on Tuesday, Sept. 20, at 2:30 p.m. and burial was in the Archmount Memorial Gardens. Martin Bros. of Lethbridge were in charge of arrangements.

ARMADA
Kenneth Schaub of Boswell, B. C., was a recent visitor at the home of Mr. and Mrs. I. Bennett, helping Irvin with the combining.

Mr. and Mrs. Perry of High River were guests at the home of Mr. and Mrs. B. Villieux last Sunday.

The doors of the Armada Junior High flew open once again and the desks were returned to their places after the parents refused to send their children to school in Lomond. The county soon obtained a teacher, namely Mrs. Bansemer, for grades 7, 8 and 9. Grades 10 and 11 are being vanned to Lomond by Glen Root. We welcome Mrs. Bansemer to the Armada district.

A few farmers were able to haul their 300 bushel quota to the elevators last Friday. Most of the harvesting operations in the district should be completed this week, if all goes well. Any fields yet unharvested are being infested

by thousands of ducks.

Mr. and Mrs. F. Oakes and family spent the weekend in Calgary.

Mr. and Mrs. J. Moncrieffe and family motored to High River on Saturday to visit with relatives during the week-end.

From Our Correspondents

BRANT

Nine members of the Brant Catholic Women's League met at the home of Mrs. W. Izyk for their September meeting, with Mrs. L. Shaw in the chair. The meeting opened with prayer, followed by routine business. Main point of discussion was to finish plans for the bazaar, which will be held on Oct. 20 in Brant Community Hall. It was decided that any old clothing which members could gather would be forwarded to the La-combe Home at Midnapore. There will be no October meeting this year but all members are asked to meet at the home of Mrs. J. Druhal, on the regular date in November. Mrs. Izyk gave a lovely lunch, assisted by the lunch committee, Mrs. A. Gingras and Mrs. P. Gallagher. Hostess prize was won by Mrs. J. Druhal.

The Home and School program for the evening was a one night workshop. Program convener Mrs. P. Gallagher introduced to the members Mrs. M. McKenzie, Vice President of the Conference of Alberta Federation of Home and School Associations, who gave a very informative talk on Discussion Groups. She brought out many points on technique to use to assure a successful discussion, giving specific instructions on duties of leaders, recorders and other members, with a topic on "Television" to be discussed later by a demonstration group. Mrs. McKenzie then led into this subject by presenting results of a recent survey on "Use of TV in the Schools." This proved most interesting and pointed to the fact that T.V. will soon be a recognized medium of teaching in the school education programs, being available in Alberta this fall. At close of Mrs. McKenzie's talk, the group assembled for discussion on the topic "What are the effects of T.V. on our families? How can we use it wisely?" Leader of the group was Mrs. W. Partin of Calgary. Other members were Mrs. N. Tweedle of Calgary, Mrs. Lorne Frey of High River and Mrs. D. Jorstad, Mrs. Cliff Fletcher, Mrs. J. Hunter, Mrs. E. Prater, all of Brant. Under the capable leadership of Mrs. Partin a very interesting discussion was carried out. Then Mrs. McKenzie asked all members of the audience to form a "buzz" session to evaluate the discussion, following with her own evaluation, made as an observer. This concluded the program. Mrs. Knapp then warmly thanked all who took part, especially those members from Calgary and High River who had so willingly cooperated to give us an interesting and helpful program. A short social gathering over lunch was then enjoyed to close the evening.

Sixteen members were present at Red Cross meeting held on Wednesday afternoon, Sept. 14, in the Curling Rink. Quilting was in progress during the meeting. No business of interest was discussed. The quilt that members started in the spring, was finished. Lunch and coffee was served by Mrs. Burley, Mrs. Auld, Mrs. Karl Christofferson and Mrs. Schultz. Th hostess prize, donated by Mrs. Charles Rhodes, was won by Mrs. Karl Christofferson.

Mr. and Mrs. Frank Sellars arrived home Sunday evening from a few days holiday in Great Falls, Mont.

Mr. and Mrs. Stewart Richmond and children, from Calgary, motored to visit Mrs. F. Silars on Sunday.

Miss Wilma Busley, from Camangay, where she is teaching, was home for the week-end.

Mr. and Mrs. Dave Baskin had as their guests for a few days Mr. Baskin's brother and sister-in-law, Mr. and Mrs. Jack Baskin from New Westminster, B.C.

Mr. and Mrs. T. W. Baskin, from Calgary, were visiting their son, Dave Baskin, and family for the week-end.

Dave Baskin was a patient in High River Hospital for three days.

MOSSLEIGH

The Mossleigh 4H Garden Club held their annual achievement program Tuesday night. Miss A. Randle was guest speaker and judged the exhibits.

There will be a sewing class in the Mossleigh Church in the near future and anybody interested is to get in touch with Eva Elliott. Joan Leslie, with a friend, spent the weekend at home.

Sorry to hear that Mrs. Gherke is in the High River hospital. Barry Campbell had the misfortune of falling and fracturing his arm and is now carrying it in a sling.

There was an error in the last week's news. Mossleigh's school enrollment should have read about 140 pupils, instead of "400."

The average weight of Atlantic Salmon caught in Canada with fly is somewhere between 12 and 15 pounds.

Norman Love of Hope, B.C., has returned home after spending several days at the home of Mr. and Mrs. Alva Love.

Congratulations and best wishes are extended to Miller White on the occasion of his 75th birthday on Sept. 19.

Mrs. Arthur Southgate and son, Kenneth, of Calgary, spent the weekend at the home of Mr. and Mrs. Alvin Jacobson. Mr. Arthur Southgate is harvesting here.

Mr. and Mrs. Wally Howlett and son, of Calgary, have returned home after spending a week's holiday at the home of Mr. and Mrs. Willard Love.

Margo Snow was a week-end visitor at the home of Linda Roebuck in Vulcan.

ENSIGN

Mrs. Harry Brown of Okotoks was down to visit her mother, Mrs. Geo. Flebotte, who was a patient in the local hospital.

Miss Jean Thorp has returned to the Edmonton university to resume her course as laboratory technician, after being employed in the Ensign General Store for the summer months.

Mr. and Mrs. John Tuck and family left last Wednesday for their home in Youbou, B.C., after spending two weeks at the home of Mrs. Tuck's parents, Mr. and Mrs. B. Brown.

Mrs. B. Holden of Calgary has been visiting at the home of her daughter and son-in-law, Mr. and Mrs. Jim Williams.

Friends of Mrs. George Flebotte will be glad to know she is at her home again from the local hospital.

Mrs. Dick Irwin and Mrs. F. Markert Sr. and little Wayne were Lethbridge visitors last week.

Miss Jessie Welsh was a Calgary visitor last week.

Mr. and Mrs. David Fisher are at present staying at the George Churchill home. David is helping with the harvest while on his holidays and Jean is cooking for the harvesters.

Harvest will again be delayed for a few days due to the rain and snow starting Tuesday morning.

Miss Myrna Larsen was one of the prize winners in the Vacation to Vienna contest.

Mrs. E. Moran and Jim Dundas were Sunday dinner guests at the home of Mr. and Mrs. Archie McIntyre.

A Gospel meeting will be held in the Ensign Hall, Sunday, Sept. 25, at 7:30 p.m. Guest speaker, Sunday school held at 3 p.m. Come all.

HERRONTON

Mrs. Alice Burger and her father, Mr. Lawrence Larson of California, called at the F. Mason home en route to Arrowwood, where they plan to visit friends and relatives before going on to Pennsylvania.

Most of the barley had been harvested by Sept. 13 but very little wheat has been picked up. Practically everything has been swathed.

The 4-H Girls' Garden Club held their Achievement Day on Monday.

Mr. and Mrs. Stanley Cox (nee Cora Miles) are receiving congratulations on the birth of a son.

Your local correspondent would appreciate a little co-operation in gathering news.

MAJORVILLE

The F.W.U.A. met for the September meeting at the home of Mrs. Vic Bertrand. The roll call was answered by telling of "The most interesting neighbour I ever had." Routine business and letters were disposed of and it was planned to have the next meeting an evening joint one as it is expected that a tape recording of the speeches of Mr. J. E. Brownlee to the F.W.U.A. conventions of the last two years will be received by that time. Mrs. Harvey Fuller read the bulletin "Farm Problems and F.W.U.A. Policy." Mrs. De Roche won the tea raffle. Mrs. Clarence Umschied and Mrs. Lawrence were lunch conveners and assisted the hostess in serving a lovely lunch. The next joint meeting will be at the home of Mr. and Mrs. Lawrence Monner.

Services for Gunard Pearson of Claresholm, who was fatally injured when his saddle horse fell and who died in Claresholm hospital as a result of the injuries, were held in Bassano on Friday. Gunard was born in the United States and lived at Majorville and Claresholm before moving to Claresholm about four years ago. He was predeceased by his wife, Emma Louise, a year ago. Surviving are two step-daughters, Mrs. Bob Hale of Bassano, and Mrs. Hudson, of Raymond; three sisters, Mrs. Fred Bertsch of Majorville, Mrs. E. Ophertz of Chicago, Mrs. Knute Nelson, Edmonton; three brothers: Otto, Eyremore; Merle, Travers, and El-

mer, Hillsdale, Missouri. A number of Majorville neighbours went to Bassano for the funeral.

The Lutheran Ladies Aid met on Wednesday at the home of Mrs. M. Clemmons. Owing to the busy season and the jubilee celebration in Bassano only eight members were in attendance. It was reported that a number of the members have canned vegetables and pickles to be donated to the Camrose College and Old Folks homes. The fall bazaar was discussed and more definite plans will be made at the next meeting. Pastor Foster led the devotional and has promised to write the devotional section for "The Messenger" in November as it is the responsibility of this group to edit the paper for that month. Mrs. Prentice was assisting hostess. The next meeting will be at the home of Mrs. Geo. Heathcote.

Harvesting is almost completed now and only a few odd patches of later sown crops remain. It has been a wonderful fall for harvesting, the few short delays have been really short. The ducks were less prevalent than usual this year. This may be because a number of the sloughs have dried up. During the last day or two larger flocks have been noticed, so it's likely the northern flocks are on the way south, but this year they are too late and the farmers are not a bit sorry.

Mrs. Francis accompanied Alex Hagg and his mother to Bassano on Wednesday and after the jubilee rodeo visited with Mr. and Mrs. Chester Edwards.

Road crews are busy widening and grading the road east of the post office to the L. K. lease gate.

THE FAMILY

Down at the railroad station yesterday I saw a father saying farewell to his family. They are moving to a western city, and he is to follow as soon as he gets his business affairs in order. It is a very lively family, ranging in age from 4 to 14, and as I helped Charlie get settled into his hotel room I said "Well, I suppose you'll enjoy a few weeks of peace and quiet without the youngsters underfoot?"

"That's what I always tell myself," he said. "But it doesn't work that way. The peace and quiet bores me. I don't amount to much without the family."

I know just how he feels because I have a family of five myself. They disturb me when I am trying to

read or think. They wake me early in the morning when I'd sometimes like to sleep. They pester me for car rides and they bother me for spending money. They worry me about their homework and report cards, and they get noisest and most demanding just about the time when I am loaded with problems of my own. But that is not the worst of it.

The worst of it is when they go away!

That is when the terrible peace and quiet settle in. And just like Charlie — I don't amount to much without the family.

I don't think a nation would amount to much for long, either, unless composed of families where each father is responsible for the welfare of his own brood. That's one reason why I am always suspicious of governments that try to take over all or part of that responsibility. Hitler did it; tyrants have always invaded the sanctity of the family. They use wonderful excuses and they pretend it is only to help, to improve the family welfare. They may even be sincere about it at first. But it never works. Families are a terrible load, an awful burden, a great responsibility. But they are worth it — ten times over!

Put green bananas and tomatoes in a paper bag and lay them away in a dark place for a few days to ripen. Never place bananas in the icebox.
